Professional Summary

MCA final-year student transitioning focus to SOC operations and blue team defensive cybersecurity. Seeking SOC analyst or blue team defensive cybersecurity internship to develop skills in security monitoring, incident detection, threat analysis, and incident response under experienced security operations professionals. Strong foundation in backend systems, APIs, and data handling with commitment to defensive security operations and threat mitigation.

Technical Skills

Category	Skills
Backend & APIs	Node.js, Express.js, REST API Security, MongoDB, Mongoose, API Authentication, Security Headers
Frontend Security	React.js, HTML5, CSS3, JavaScript, Input Validation, XSS Prevention, CORS Concepts
Databases & Data Protection	SQL querying, MongoDB, Data encryption basics, Secure data handling
Tools & Platforms	Git/GitHub, VS Code, Postman (API testing), Burp Suite (beginner), OWASP ZAP (beginner), Wireshark (basics)
Programming Languages	Python, JavaScript, Node.js, SQL

Education

Parul University, Vadodara, Gujarat
Integrated MCA (IMCA) — Full Stack Development | Aug 2022 — Apr 2026
CGPA: 7.11/10.0

Cybersecurity & Security Initiatives

- Secure Coding:** Applied authentication, authorization, and input validation best practices in Node.js/Express applications
- API Security:** Implemented JWT-based authentication and secure REST API design patterns

- **Self-Learning:** Exploring cybersecurity fundamentals through structured learning (target: Security+ certification knowledge)

Projects (Security-Focused)

Full-Stack Application with Security Implementation

- Built secure REST APIs with JWT authentication and role-based access control (RBAC)
- Implemented XSS prevention, CSRF protection, and input validation across frontend and backend
- Used secure password hashing and database encryption principles

Languages

English | Hindi | Gujarati

Career Interests

Primary: Cybersecurity, Web Application Security, Penetration Testing, Vulnerability Assessment

Secondary: Network Security, Cloud Security
